

Sarcoma South UK Support Group

www.sarcoma-support-south.org.uk

Are you living with sarcoma?

Is someone close to you affected by sarcoma?

Come and join our friendly support group

We are a small number of sarcoma patients who have got together to make friends and support each other. Sarcoma is rare so it is difficult to meet others in the same position. This can be isolating for patients and carers and we want to improve that situation. The group meets in Bournemouth.

We meet on the 2nd Wednesday in January, March, May, July, September and November, 2.00 to 4.00 pm at The Grove Hotel, 2 Grove Rd, Bournemouth BH1 3AU
